TRAINING AND EDUCATION FOR THE PROFESSIONAL EVT

March 04 - 09, 2012 in Fort Worth, Texas

TAEVT, in conjunction with the OAEVT, hosts the annual Southwest EVT Conference. A weeklong training conference for the Professional EVT. Now in its 10th year, the conference has been a huge success. Our goal always has been to offer low cost training for EVT's, and we have held the line again this year. **Registration fees only \$299/person!**

Factory trainers in most cases and professional trainers in all cases gather every Spring to bring you the most up-to-date EVT training possible. In 2009, we have 31 courses planned all at the World-Class Tarrant County College Fire Service Training Center located in North Ft Worth.
